Objective & Presentment

I seek an international market placement as a software developer. My main qualities are being very dedicated, resilient and knowing how to work in a team

Experience

- Embrasac Tecnologia e Serviços - Eireli** 04/2021 - Currently
Software Developer
I am responsible for a chat email artificial intelligence project that receives requests, accesses databases and returns an automatic response that must be sent to the client who made the request. The technologies used are:
 - Java;
 - JavaScript;
 - HTML;
 - CSS;
- West High Technology** 10/2020 - Currently
Software Developer
This is extra work that I do and it involves developing web systems and mobile applications. The technologies used for development are:
 - Java;
 - JavaScript, React and Node.js
 - Recently started the implementation of Python;
- Aço Art Industria e Comércio** 08/2020 - 04/2021
CNC Programmer
I developed programs to operation of industrial machines.
- Gama** 01/2019 - 01/2020
Seller
I innovated by using technological resources to reach customers from various cities.
- Companhia Paulista de Trens Metropolitanos** 07/2014 - 12/2018
Administrative Assistant
I performed market analysis, data consultation, price negotiation, inventory control.

Education

- Federal University of the Espirito Santo** 2024
Physics
- University Cruzeiro do Sul** 2022
Analysis and systems development
- SECTI - ES** 2021
Information Technology Assistant
- Senai** 2021
Cybersecurity Essentials
- Senai** 2014
Administrative assistant

Skills

- JavaScript - Advanced
- React e React Native
- Node.js
- Html e CSS - Advanced
- Java - Advanced
- Python - Intermediary
- MySQL - Basic

Projects

- **Projeto PN**

PN is a socio-educational project that I'm being developed in JavaScript, using React Native, together with my wife who is a master at math and engineering and my sister-in-law who is Physics.

- **Times Table Challenge**

A game for children to learn multiplication tables interactively and simple.

Publications

- **Technology in System Analysis and Development**

The article was published on August 2, 2021 and is about procedures that should be applied when developing software. The article is in Portuguese language on the website:

<https://jornaltribuna.com.br/2021/08/tecnologia-em-analise-edesenvolvimento-de-sistema/>

Volunteer Activities

- Scientific Initiation - Quantum Cosmology - Federal University Espirito Santo.
- Humanitarian help.

Languages

- Portuguese - Native
- English - B1
- Spanish - B1
- French - A1

Personal Details

- Date of Birth : 02/01/1995
